Re: United States v. Jaquon Dancy
Docket # 20 CR 225 (PMH)

Dear Judge Halpern;

I write to request that the time for the disclosure and filing of the final PreSentence Report be extended until June 11, so that we may have sufficient time to review and comment on the draft report. I apologize to the Court, but the original email from Probation containing the draft was somehow misplaced in my inbox, and I did not realize it had been disclosed until I received an email this morning from the assigned Probation Officer. I have mailed the report to my client, and expect to be able to discuss it with him sometime next week, allowing time for the mail to reach him and a visit to be scheduled.

Probation Officer Jaleesa Harris has no objection to this request, nor does AUSA Shiva Logarajah

Thank you for your courtesy and consideration.

Respectfully yours,

JOHN S.
